Portable Bars

Portable Bars With Space For Refrigerator

Portable Bars For Stackable Cups Or Glassware

Glastender portable bars come in **2 Basic Families** based on your style of service.

Family 1 - Units for stackable cups include a well for cup storage.

PBC models have a cup storage well for three rows up to 4-1/4" in diameter.

PBCR72-12
Shown with ST36 model side top cooler

PBC48-12

Family 2 - Units for glassware come with a glass storage work surface area consisting of a seamless-welded pan with perforated insert and rack slides for storing three 20" x 20" glass racks below.

PBG models have a seamless welded glass storage pan with perforated insert and storage for three glass racks below.

PBG72-12

The base and bar top on both families of portable bars can be extended to create a **36" wide space for on-board refrigeration.***

* Glastender refrigerator models BB36 or ST36 recommended. See specification sheet for additional information.

Features Common To All Portable Bars

Stylish feathered jewel finish on bar top hides scratches.

Stainless steel bar top and front and side panels have a plastic honeycomb core for durability and sound deadening.

Bar top has hemmed and welded construction to eliminate any sharp edges.

Cocktail ice bin has a sliding stainless steel cover.

6-gallon plastic drain tank has on-off valve to collect melting ice water from cocktail bin.

Heavy-duty 4" rubberized casters. The two bartender side corner casters are locking.

Stainless steel front and side panels are welded to the 16-gauge stainless steel base for incredible durability.

Weather resistant stainless steel construction.

Rear condiment cup area has hinged stainless steel sanitary cover with three (12") or four (18") cups.

Iced beverage storage bin with separate drain to prevent contamination of ice used to make cocktails.

Stainless steel bottle rail with PVC plastic sound deadening covers. Rail includes clear snap-on liquor identification label cover. Rail designed to accommodate 2-liter bottles.

Iced beverage storage bin drain includes flexible hose and on/off valve for draining when convenient.

MAKE A SPLASH!

If you want to get noticed or solidify your brand, Glastender's graphic wraps can make it happen.

We can apply a wrap to your portable bar with any image, so let your imagination run wild.

Glastender. Where little ideas make a big difference.
