

A freezer as sweet as the ice cream it holds

Our competition's ice cream freezer is a filler board with drop-in freezer and dipper well, which results in hard-to-clean seams and exposed rust-prone galvanized.

Hard-to-clean seams

Exposed rust-prone galvanized

Chief Competitor

Glastender's dedicated ice cream freezer has a full stainless steel cabinet with seamless top and dipper well.

Glastender. Where little ideas make a big difference.
