Elevation Ice Bin

Pricing effective January 1, 2026

PRODUCT INFORMATION

(see E-IB Spec Sheet for complete details)

- All stainless steel construction
- One-piece, seamless top and backsplash
- PVC plastic breaker strip around ice bin liner: creates 5/16" raised edge around liner, acts as thermal barrier to prevent heat transfer, and makes the cover slide easier
- Sliding stainless steel cover
- Eco friendly foamed-in-place insulation has zero impact on global warming or ozone depletion
- Adjustable stainless steel bullet feet
- Lower cabinet with locking door
- Ten circuit available with all 24" and wider models (add suffix '-CP10' to model number); includes 4" soda gun holder
- Single speed rail
